

PEACE DAY - SEPTEMBER 21

"We have the ability to overcome. If we realize the necessary potential, a common global identity blossomed with a shared culture of justice that is, nourished by the ethics, national and local traditions that surround it." — Malala Yousafzai

PEACE DAY - SEPTEMBER 21

"Peace can be achieved as it is the result of a process which begins with a respect for the rights of all. We must be committed to a culture of tolerance and understanding. We must be prepared to change, to improve or when it comes to our own hearts and minds to let go of our own ideas. It is not a matter of right or wrong, but of what is best for the world. We can do it." — Nelson Mandela
